We manufacture all kinds of Beauty Care instruments and disposable barber equipment. The manufacturing process for all instruments is conducted on automatic imported plants, adhering to world standards. Professionally, we are engineers and are well acquainted with the type, quality, and nature of the steel. We handle all aspects of the production in our workshop. We can manufacture according to customer's drawings, specifications, and samples.

We have earned a good name and reputation for manufacturing all kinds of steel instruments internationally. We aspire to further excel in this field and seek the favor and cooperation of friends like you. Our team comprises highly skilled, educated, and trained staff, including engineers and workers. We are committed to maintaining the heat treatment and unique quality control of the finished equipment in line with world standards. We consistently work towards improving quality and strive for better relations and understanding with our customers. Your kind visit and guidance would certainly encourage and help us in promoting our business relations.

MISSION AND FUTURE PLANS:

- *- We are looking forward to a better future and aim to incorporate advanced technology in this field.
- *- To attain a significant position in the international market.
- *- Prioritizing customer satisfaction and maintaining competitive prices.
- *- We aim to enhance the beauty sector by applying advanced technology in a more effective manner.

TESTING FACILITIES:

Our testing facilities include:

- *- Fully computerized 32-channel spectrometer.
- *- Sample preparation equipment.
- *- Complete wet analysis laboratory.
- *- Computerized heat indexing system.
- *- Computerized grade identification system.

THE QUALITY POLICY:

At MODISHIQUE, we support all our products with quality assurance certification. Our aim is to establish and uphold the highest standards of quality, offering products that conform not only to the required specifications but also adhere to international quality standards.
